THE CONGREGATIONAL CHRISTIAN CHURCHES

The Congregational Christian Churches of the United States by delegates assembled, reserving all the rights and cherished memories of their historic past and affirming loyalty to the basic principles of unity and democracy in church polity, hereby set forth the principles of Christian fellowship immemorially held by these churches.

We hold sacred the freedom of the individual soul and the right of private judgment. We stand for the autonomy of the local church and its independence of ecclesiastical control. We cherish the fellowship of churches, united in district, state and national bodies for counsel and co-operation. Affirming these convictions we hold to the unity of the Church of Christ, and will unite with all its branches in fellowship and hearty co-operation; and we earnestly seek that the prayer of our Lord for the unity of his followers may be speedily answered.

We find in the Bible the supreme rule of faith and life, but recognize wide room for differences in interpretation. We therefore base our union upon the acceptance of Christianity as primarily a way of life and not upon uniformity of theological opinion or any uniform practice of ordinances. (From the preamble of the Constitution of the General Council of the Congregational Christian Churches.)

Form — Congregational Christian Churches are bodies of self-governing Christian believers organized on a democratic basis in close association with a great body of similar churches throughout the world, covenanting together for worship, work, and fellowship.

Origin — Congregationalism has been implicit in Christianity from the beginning, but did not emerge in its present corporate form until in England, in the sixteenth century, the pressure of state control of religious worship forced into separate existence that part of the Church in which Congregational principles were cherished.

The Christian Churches originated spontaneously in several parts of the United States in the latter part of the eighteenth century. In each instance the movement was directed toward freedom from excessive ecclesiastical authority over local churches and ministers.

Principles — The Congregational Churches are characterized by their faith in God, their fellowship in Christ, and their freedom in the Spirit.

Practice — Acknowledging Christ as the only authoritative head of the Church, Congregational Christian Churches exalt nothing trivial or sectarian, repudiate dogmatism and all legislative control of the spiritual life, regard a living Christian faith as the only prerequisite for church membership, and seek to develop in the church educational efficiency, evangelistic zeal, and unselfish devotion to the extension of the Kingdom of God.

Achievements — Congregationalism sailed to America in the Mayflower as the church of the Pilgrim Fathers. Settling first at Plymouth, then later fusing with the Puritan colonists that followed them, these founders of Congregationalism spread over New England, and through their democratic ideals laid the foundations for the free church, the free state, the free school, and the free social life of our country. The Congregational Churches have been the pioneer Protestant churches of our nation in the promotion of education, missions, evangelism, and in most movements for Christian union, religious progress, and social reform.

While the Christian Church originated later, and while its numbers and resources have not been so large, its ideals and principles have been identical with those of the Congregational Churches.

The Local Church — The local church is self-administering and is the final arbiter of all questions relating to its own life.

The Association — A church is recognized denominationally by securing membership in some association of churches, usually consisting of from ten to fifty such churches, located in geographical proximity to one another. These associations are charged with the holding of ministerial credentials for ordained ministers and the performance of common Christian service in behalf of their component churches.

The State Conference — The state or district conference is made up of the churches within its bounds holding membership in the several associations. Mutual helpfulness to all the churches, and the carrying forward of church extension and missionary work within its own borders, are the functions of the conference. Usually the conference maintains a paid superintendent and a central office.

The General Council — What the State Conference is to the state the General Council is to the nation, with appropriate variations. It also becomes the unifying agency for co-ordinating the organization and work of the missionary societies. (See following pages.)

GENERAL COUNCIL ORGANIZATION

The General Council of the Congregational Christian Churches was organized on June 27, 1931, at Seattle, Washington, for the purpose of carrying on the functions hitherto performed by the National Council of the Congregational Churches and the General Convention of the Christian Church. The older organizations continue their formal existence for the time being for possible legal requirements. Details of organization will be found on the following pages.

PURPOSE

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the Kingdom of God; to co-operate with any corporation or body under control of or affiliated with the Congregational or Christian Churches or any of them; and to do and promote the work of these churches in their national, international and interdenominational relations, and in general so far as legally possible to perform on behalf of the united churches the various functions hitherto performed by the National Council for the Congregational Churches and by the General Convention for the Christian Church, it being understood that where technical legal questions may be involved the action of the separate bodies shall be secured. (Article II of the Constitution.)

FUNCTIONS

As the name indicates, the General Council is a voluntary organization of Congregational Christian Churches for the purpose of conference regarding their common interests. The central function of the Council is to provide a gathering for useful discussion of questions of concern to the churches, and so to furnish inspiration for increased devotion and effectiveness.

Associated with the function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches. Specifically, the Council provides for gathering and publishing annually the statistics for the churches as given in this Year Book. For the purpose of stimulating fellowship and of co-ordinating the various agencies, offices are maintained with a small staff of secretaries.

MEMBERS

Each State Conference or similar organization of churches is entitled as such to elect four delegates, and four additional delegates for each 5,000 members. In each delegation there is an equal number of ministers and lay people, and of lay men and lay women. Each college and theological seminary recognized by the Council is entitled to one delegate. The Moderator, the Secretaries, the Treasurer and editors of national church periodicals are members *ex-officio*. Delegates appointed by other Christian communions serve as Ecumenical Members.

EXECUTIVE COMMITTEE

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging and submitting programs for the meetings, and seeks to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency. This committee is also the agency for correlating the activities of the several Commissions.

COMMISSIONS

The Commission on Evangelism and Devotional Life maintains an office for service to the churches in the vital field indicated by its name. There are several other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such co-operation with the executive agencies of the denomination as seems feasible.

MISSIONARY SOCIETIES

The American Board of Commissioners for Foreign Missions and the Board of Home Missions of the Congregational Christian Churches have as their controlling membership the membership of the General Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these societies is in large majority identical with that of the General Council, so that in matters of common concern action taken by the General Council may usually be taken by each of the societies without further discussion, thus giving unity of operation in matters of common concern and making the missionary societies the instruments of the churches themselves.

MEETINGS

Meetings of the General Council are held biennially in the even numbered years. The next meeting will be held at Durham, New Hampshire, June 18-25, 1942.

THE COMMISSION ON EVANGELISM AND DEVOTIONAL LIFE

287 Fourth Avenue, New York, N. Y.

This Commission was established by the National Council at Des Moines in 1904 to assist the churches in providing plans and programs for recruiting new members for the church and furnishing the churches material for their use in enriching the devotional life of the people.

It is composed of seven active and twenty corresponding members elected by the General Council and is charged by the General Council to do two things.

FIRST: To bring before the churches the denominational program of evangelism and devotional life.

SECOND: To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers.

THE CHURCH YEAR IN EVANGELISM AND WORSHIP

September–October Activities

A study of the local situation and the adoption of a plan to meet the conditions existing in the community. A comprehensive parish survey. Appointment of special committees with assignment of duties. Special events for those going away for school, college or business. "Loyalty Day" in Church School and Young People's Societies.

A definite program for Thanksgiving with material for home celebration. Preparation for the Christmas holiday season as a climax of the Advent period emphasizing the religious aspects of Christmas.

January–February Activities

Plans adopted for the Lenten Season (March 10–April 25) and supplies ordered including "*The Fellowship of Prayer*" and "*Lenten Devotions for Young People*."

The Pastor's Class organized and textbooks secured.

Special devotional meetings for Lent arranged with emphasis on personal and family devotions.

March–April Activities

Organize groups of adults and young people for the study of Christian beliefs. Plan a Lenten program of preaching for decision. Hold a Preaching Mission or School of Religion.

Plan Holy Week services. Membership enlistment and reception of members.

May–June

The Easter to Whitsunday period gives place for a special study of the questions of Christian responsibility in the home, community and state.

The Summer Season

In many parts of the country this is the best season of the year for evangelistic meetings. Where possible, plan a Preaching Mission or outdoor preaching service.

Plan something different for the summer season. Make use of the early morning service; vesper services for the late afternoon; popular evenings of song, illustrated lectures, Bible talks, missionary addresses and social occasions.

Send to the office of the Commission for a catalog of material available for carrying out this program.

THE MISSIONS COUNCIL

The several missionary organizations are related to the churches through identical membership, namely, that of the General Council. The Missions Council is the official body for each of the missionary societies for the purpose of disseminating information, cultivating interest and raising the missionary funds.

Douglas Horton.

Organization

1. *Membership.* The Missions Council consists of the thirty-six elected members together with the President and the Vice Presidents of The Board of Home Missions, the thirty-six elected members with the President and Vice Presidents of the American Board, and the Secretary of the General Council, ex officio.

2. *Joint Cabinet.* The work of the Missions Council is administered by the Joint Cabinet, thus providing the Executive Secretary with a connecting link to the administrative heads of the National Societies and of the State Conferences.

Article IX of the Rules of the Missions Council provides that the Minister of the Missions Council, the Executive Vice Presidents of The Board of Home Missions and of The American Board, the Minister of the General Council, the Associate Executive Secretary who shall be a woman, and one State Superintendent elected by the State Superintendents' Conference as hereinafter provided shall constitute the Joint Cabinet of the Missions Council. This Cabinet meets regularly. It is responsible for formulating promotional plans and policies and is the connecting link between the executive boards and the promotional staff.

3. *Ad Interim Committee.* The Ad Interim Committee is composed of thirteen persons chosen as follows: Two members of the Board of Directors of The Board of Home Missions designated by The Board of Home Missions, two members of the Prudential Committee of the American Board designated by the Prudential Committee, the Chairman of the Missions Council, ex officio, two State Superintendents elected by the State Superintendents' Conference, and the Chairman of the Women State Presidents. The Minister of the General Council, the Minister and Associate Executive Secretary of the Missions Council, and the Executive Vice Presidents of the Boards are corresponding members.

4. *Joint Staff.* The Joint Staff operates under the chairmanship and direction of the Executive Secretary and includes the secretaries of missionary education and promotion of both the home and foreign boards, with two representatives from the Conference of State Superintendents and the Chairman of the Women State Presidents.

Processes

1. *Meetings.* The Missions Council meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Board of Directors of The Board of Home Missions and of the Prudential Committee of the American Board, thus economizing in time and travel expenses. At the annual midwinter meeting the Survey Committee of the General Council, the members of the Council for Social Action, the State Conference Superintendents, the Women State Presidents and secretaries of the societies sit with the Missions Council in joint session as corresponding members.

2. *Literature.* One of the important functions of the Missions Council is the publication of literature setting forth our entire missionary enterprise.

3. *Field Work.* Under the direction of the Executive Secretary the members of the Joint Staff co-operate in a unified program of education and promotion. This work is conducted through the state organizations and endeavors to develop through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

Information

The support of our Mission Boards depends upon current gifts, legacies and the income from invested funds. Through the Missions Council, donors, lawyers and trust officers are supplied with confidential and impartial information concerning the financial standing, fields of work, needs and opportunities of any or all Congregational Christian Corporations, including the General Council and its Commissions, the Home and Foreign Missionary Boards, State Conferences, city extension societies and the local churches.

The local church may ordinarily secure information directly from its own state office. Persons not knowing to whom to write locally are invited to communicate direct with the Missions Council.

The A. B. C. F. M. is the mother of foreign mission boards in North America. Founded in 1810 to make possible the realization of the vision of the men of the Haystack, it immediately invited the Presbyterian General Assembly to form a similar society with which it could co-operate, but the Assembly replied that one organization of the sort was enough and "urged its churches to adopt the American Board as their foreign missionary agency." The Baptist Missionary Union was formed when some of the first American Board Missionaries became Baptists. By 1826, the Presbyterians and the Reformed Church in America had developed the United Foreign Missionary Society, which in that year was merged with the American Board. The process of segmentation began in 1837 when the "Old School" Presbyterians left the American Board, followed in 1839 by the Central and Southern auxiliary boards. In 1846, "because of differences of opinion as to the Board's attitude toward slavery, some members withdrew to aid in organizing the American Missionary Association." In 1857, the Reformed Church in America withdrew to form its own Board and in 1870, the "New School" Presbyterians rejoined their "Old School" associates and transferred their support to the Foreign Mission Board which they had formed.

The American Board maintains missions in East, West and South Africa, China, Japan, India, Ceylon, the Philippines, Micronesia, Mexico, Bulgaria, Turkey, Greece and Syria. The work in Micronesia is now a part of that in Japan.

The spread of warfare and increasing tensions during 1941 seem leading toward the most thorough test of the faith acquired through the work of the Board which has ever been faced. In our fields in East Asia and in Europe, missionaries have largely either been forced to withdraw or been interned or restricted in their activities. Christian churches and institutions have very largely been deprived of American support. This process may extend to other fields. We believe the Christian community will emerge from the valley of the

shadow of war intact, possibly reduced in numbers, but strengthened in spirit. The fields in Free China, India, Africa, the Near East and Mexico which have not yet been directly affected report increased calls for service and new opportunities, especially in education. The years of patient preparation of national leaders for the regular program and for these crisis days seem to be bearing fruit.

The year closed August 31, 1941 with an operating surplus of \$24,979.75 made possible by strict economy in expenditures and the sacrificial giving of 2,576 individual donors who contributed \$88,806, or \$2,972 more than last year. The accumulated debt was wiped out. The total income for the year including gifts designated for objects outside the regular budget was \$1,039,369.95.

Statistical Summary

The American Board is responsible for a foreign parish of 42,426,053 people. There are 13 missions under 8 different flags. The missionaries under life appointment are 380 and include 88 ordained men, 39 unordained men, 121 wives and 132 single women. There are 22 associates who are serving for shorter periods, making a grand total of 402 missionaries. The native force of workers is 5,372. The places of service number 2,804. There are 732 organized churches with 119,305 communicants. In 1940, 6,873 members were added to the church rolls. The total Christian community numbers 220,714. There are 1,146 Sunday Schools and 65,845 pupils. The educational work has 40 theological and training schools with 2,591 pupils and 10 colleges with 4,918 students. Below these are 55 secondary and middle schools with 17,550 pupils, 848 primary and elementary schools with 69,870 pupils. The schools of all grades are 953 and the total under instruction is 97,515. The medical statistics show that the Board has 24 hospitals and 39 dispensaries, with which are connected 26 physicians and 21 foreign nurses. The records show that there were 44,301 hospital patients and 208,702 dispensary patients. The total treatments were 677,314 or over 1,600 treatments per day. Major operations numbered 4,136, and minor, 9,205. The native contributions for church work were \$201,162, and for all purposes \$599,185.

The support of the work of The Board of Home Missions depends upon current gifts and the income from invested funds. Bequests and conditional gifts are earnestly solicited.

FORM OF BEQUEST — I give and bequeath to The Board of Home Missions of the Congregational and Christian Churches, a corporation organized and existing under the laws of the States of Connecticut and New York and of the Commonwealth of Massachusetts, incorporated in 1937, the sum of Dollars to be applied for the uses and purposes of said corporation.

The Board of Home Missions of the Congregational and Christian Churches has been appointed as agent by each of the following corporations. The field work of these corporations is now administered by this one Board, but the original corporations are still in existence and hold title to their own assets. Any bequests, therefore, may run directly to these corporations.

The American Missionary Association

The Association represents the brotherly helping hand of the Congregational Christians stretched out to the disadvantaged groups of America — particularly the Negro, Indian, Puerto Rican and Southern Highlander. It remains, as it began, a Crusade of Brotherhood standing in a day of race friction and class discrimination for the undiluted application to human relations of Jesus' way of life.

Upon foundations put down in earlier days by the Association there stand today Hampton, Atlanta and Fisk Universities, Berea College, Talladega, Tougaloo, Tillotson and LeMoyne Colleges still depend on the Association for a large share of their support. A substantial appropriation is made to Dillard University in New Orleans, and a modest grant to Fisk University.

FORM OF BEQUEST — I give and bequeath the sum of Dollars to The American Missionary Association, or its successor, incorporated by the act of the legislature of the State of New York in 1862 to be applied for the uses and purposes of said Association.

The Church Extension Boards

(Including The Congregational Home Missionary Society, The Congregational Church Building Society, and The Congregational Sunday School Extension Society.)

The Congregational Home Missionary Society

Establishes and aids churches and assists in the support of the Christian ministry at strategic points on the frontier, in the cities, rural districts and among new Americans. It has direct charge of the work in 22 aided states embracing the newer and less populous sections of the country covering two-thirds of the area of the United States and one-third of its population.

FORM OF BEQUEST — I give and bequeath to The Congregational Home Missionary Society or its successor, a corporation organized and existing under the laws of the State of New York, incorporated 1871, the sum of Dollars to be applied to the uses and purposes of said Society.

The Congregational Church Building Society

Aids churches in every part of the United States by loan and grant to secure houses of worship and parsonages and to conserve church properties through assistance in refinancing; also gives helpful advice regarding business details and endeavors to assist in attaining and maintaining worthy architectural standards. Since its organization its revolving funds have aided churches to the extent of over eleven millions of dollars, and parsonage loans have amounted to nearly a million and a half dollars additional.

FORM OF BEQUEST — I give and bequeath to The Congregational Church Building Society or its successor, a corporation organized and existing under the laws of the State of New York, incorporated 1853, the sum of Dollars to be applied to the uses and purposes of said Society.

The Congregational Sunday School Extension Society

All commissioned workers of The Congregational Home Missionary Society are responsible also for the work of the Sunday School Extension Society, the latter contributing a percentage of their support. This work consists chiefly in founding and maintaining Sunday Schools and in sending our college young people for summer extension service. In co-operation with the Education Society a Children's Day program is provided each year.

FORM OF BEQUEST — I give and bequeath to The Congregational Sunday School Extension Society, a corporation organized and existing under the laws of the State of New York, the sum of Dollars to be applied to the uses and purposes of said Society.

The Congregational Board of Ministerial Relief

Organized to secure, hold, manage and distribute funds for needy retired Congregational and Christian ministers, widows of ministers and orphaned children of ministers, too young for self-support. Grants are made on the ground of service rendered and to meet the exigencies of age and disability.

FORM OF BEQUEST — I give and bequeath to The Congregational Board of Ministerial Relief, incorporated in 1907 under the laws of the State of Connecticut Dollars for its uses and purposes.

Congregational Education Society

This Society gives leadership in Christian education in the home, church and Sunday School. Its departments include Children's Work, Young People's Work and Student Life, World Fellowship, Adult Education, and Leadership Education. It gathers data regarding materials and methods of work and makes these available to the churches through literature, correspondence and interviews. It gives regular service to over 12,000 leaders in various lines of religious educational activity.

FORM OF BEQUEST — I give and bequeath to The Congregational Education Society or its successor, incorporated under the laws of the Commonwealth of Massachusetts, in 1816, the sum of Dollars, to be devoted to its purposes and work.

Women's Home Missionary Federation

Incorporated in Kansas, October 15, 1913

The work of the Federation, through the merger of the national societies, has been delegated to the various denominational Home Boards and Commissions. The Federation continues to maintain its existence according to its charter, to care for its funds, and to receive gifts and legacies. President, Mrs. Mary D. White, 52 Irving Pl., New York, N. The Annuity Fund for Congregational Ministers provides age annuities for Congregational Christian ministers and incidental protection against the minister's permanent total disability occurring during the years of active service, and for his family in case of his untimely death.

Its resources are derived from payments by the minister himself, contributions of churches and individuals, legacies and conditional gifts and the distributable income of the Pilgrim Memorial Fund.

The amount of annuity at annuity age depends on the accumulations to a member's credit.

Assets, December 31, 1941, \$8,616,689; membership including annuitants, 3,690, a net increase during the year of 59; annuity payments, \$481,940, an increase of \$12,022. Contributions in the form of gifts and legacies are urgently needed to help in paying the churches' share of the annuities of the older members. The Annuity Fund for Congregational Ministers has an exceptional place among the private annuity funds for its soundness and its liberal benefits to members.

PILGRIM MEMORIAL FUND

Established by vote of the National Council, October 13, 1917

287 Fourth Avenue, New York, N. Y.

The principal of this fund is held in perpetuity by The Corporation for the General Council to be invested and reinvested, and the distributable income turned over to the Board of Trustees of The Annuity Fund for Congregational Ministers to aid in providing age annuities and disability annuities for Congregational Christian ministers who become members of the Annuity Fund and death benefits for their widows and minor orphan children.

The Pilgrim Memorial Fund, December 31, 1941 stood at \$5,064,275, in addition to which the accumulated profits from the sale of securities, held in a Profit Reserve Account, amounted to \$503,594.

The ultimate objective of the Pilgrim Memorial Fund is \$8,000,000. Legacies and memorial gifts will be added to the principal, as a permanent endowment.

The Council for Social Action was created by the General Council at Oberlin in June, 1934. The motivating spirit behind that action is clearly indicated in the words of the vote:

"Stirred by the deep need of humanity for justice, security, and spiritual freedom and growth, aware of the urgent demand within our churches for action to match our gospel, and clearly persuaded that the Gospel of Jesus can be the solvent of social as of all other problems, we hereby vote:

"That the General Council create the Council for Social Action of the Congregational and Christian Churches of the United States of America.

"That the purposes of this Council for Social Action shall be to help the churches to make the Christian gospel more effective in society, national and world-wide, through research, education, and action, in co-operation with the Home and Foreign Boards, Conferences and Associations, and local churches. It is proposed that the Council shall increasingly cooperate with the Federal Council of Churches in the creation of a program which shall be genuinely interdenominational. In its *research*, the Council will aim to be impartial, its only bias being that of the Christian view of life; its *educational* efforts will be directed primarily toward the local churches but will also envisage the cultivation of public opinion; in *action*, the Council may, on occasion, intercede directly in specific situations. . . .

"That in launching this Council for Social Action we envisage a new kind of churchmanship which, enlisting the volunteer services of a group of eighteen outstanding men and women of social vision, wisdom, and Christian purpose, and commanding the services of five or six strong leaders in the fields of international relations, race relations, and economic statesmanship, will carry the campaign of education and action based on careful research out among our entire constituency at home and abroad. Believing that the church will find itself as it loses itself in the struggle to achieve a warless, just, and brotherly world, we launch this venture, dedicating ourselves to unrelenting work for a day in which all men find peace, security and abundant life."

The Council for Social Action invites each church to organize a local committee or council for Social Action and welcomes the opportunity to co-operate with such local groups in planning for the larger effectiveness of the social program of the church.

The Council for Social Action invites correspondence from ministers and laymen.

Andover Seminary has become affiliated with The Newton Theological Institution to form the new Andover Newton Theological School which is located at Newton Centre, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provide for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

The Andover Newton Theological School in affiliation with Harvard gives the students the privilege of taking any work in Harvard open to theological students and without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B. D., S. T. M., and M. H. E. The B. D. is granted after three years' study to students who have had a college course. The M. H. E. is granted to women students with similar preparation after two years' study. The S. T. M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

For catalog and further information address the President or the Dean.

THE CHICAGO THEOLOGICAL SEMINARY

5757 University Avenue, Chicago, Ill.

A graduate training school for the ministry and religious vocations, including religious education and church social work. Degrees of M. A. and B. D.

ALBERT W. PALMER, *President*ROSS SNYDER, *Director of Studies*ROBERT CASHMAN, *Business Manager*

The Chicago Theological Seminary, established in 1855 to furnish training for Christian leadership according to the highest academic standards, has been a pioneer in the introduction into the theological curriculum of several unique features designed to meet the changing spiritual needs of succeeding generations. For example, Dr. Graham Taylor was called to the chair of Christian Economics when such a professorship was practically unknown. Recent developments have been in the fields of research in personality problems; in studies of the city and rural churches; in culture through art and drama, literature and music; and in the supervision of the practical work of students with a view to their development as leaders of the institutions of religion in the modern world.

In 1915 the institution removed to the neighborhood of the University of Chicago, with which it is affiliated through the Divinity School of the University. Thus Seminary students enjoy the advantages of a University which is internationally known for its high standards and academic productiveness. In June, 1928, the new buildings of the Seminary were completed and dedicated.

The Seminary is open to both men and women on equal terms. A catalog will be gladly sent on request.

The three distinct Schools of the *Hartford Seminary Foundation* offer training for all forms of Christian service. The thirty-acre campus with distinguished buildings gives equipment for nearly 250 courses offered by over fifty professors, instructors and lecturers. The Case Memorial Library of 215,000 volumes and pamphlets is one of the greatest theological libraries in the country. All classes are open to both men and women.

The *Hartford Theological Seminary* prepares college graduates for the ministry of the gospel. It uses the resources of modern scholarship in the service of the Christian faith in training for ministerial work. The degree of B. D. is granted for the completion with credit of the regular course. Degrees of S. T. M. and PH. D. are granted for advanced work.

The *School of Religious Education* trains men and women for positions of leadership in the field of religious education, and provides a thorough practical training for lay workers in other forms of church service. A two-years' course for those who have had two years of college work or are graduates of normal school leads to the degree of B. R. E. or B. S. For college graduates a more advanced course is offered, leading to M. R. E., M. A., or PH. D.

The *Kennedy School of Missions* furnishes Special Missionary Preparation for missionaries, candidates and appointees of all Mission Boards. It has served most of the large Mission Boards of the United States and Canada. Its alumni are in all the great mission fields. Degrees of M. A. and PH. D. are granted for advanced work.

The Graduate School of Theology provides the opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Association at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained the most friendly relationship with Congregational churches and work.

Equipment — In September of 1931 the School of Theology moved into its present quarters. It occupies a group of buildings designed by Mr. Cass Gilbert and made possible by the generous gift of two friends of the School, the late Mrs. D. Willis James and Mr. John D. Rockefeller, Jr. The theological group, built in North Italian style, is composed of two buildings connected by cloisters to form a quadrangle. One of these buildings is used for classroom, chapel and administration purposes, and the other for dormitories for single and married students, a refectory, a library, a recreation room and a gymnasium. These buildings compose a quadrangle of unusual beauty and utility. Students in the School of Theology use the main library of Oberlin College which contains 404,715 bound volumes and as many pamphlets. The library files include the leading secular and religious newspapers and the leading monthlies and quarterlies. The Oberlin library is one of the largest college libraries in the United States. The library and seminar rooms in the theological quadrangle house about twenty thousand of the most active books in the theological section and the periodicals required by the theological students. The gymnasium and recreation rooms in the quadrangle are well equipped for physical training and indoor games. The athletic fields and tennis courts of Oberlin College provide amply for outdoor exercise.

Terms of Admission — College graduation and church membership are required. Men and women of any denomination or race are admitted. This year 18 denominations are represented in the student body.

Degrees in Course — The degree of *Bachelor of Divinity* is granted at the completion of a three years' course covering ninety semester hours of work chosen from a broad range of courses set up in a curriculum which recently has been restudied and revised. The degrees of *Master of Arts* and *Master of Theology* are also offered.

Special Assets — Students in the Graduate School of Theology have the advantage of being a part of the student body of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library which includes a collection of over 60,000 stereopticon art slides. Living expense is moderate and scholarships with the opportunities for self-help in the community make complete self-support possible.

THE E. T. EARL FOUNDATION brings eminent leaders and scholars to the School for special lectures and conferences.

THE PALESTINE INSTITUTE is a laboratory for Biblical studies, employing among other resources the noteworthy archaeological treasures being recovered from the explorations made by Dr. Badè at Tell-en Nasbeh, and by Dr. McCown in Transjordan.

ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the offices of the General Council. They are of date of January 1, 1942, and cover the year 1941. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. **Correspondence should be addressed to the Registrars of the conferences.**

Persons noting errors are earnestly requested to report the same, especially when the mistakes involve benevolent contributions. Here it should be noted that money received in any national, district or state office to and including January 10, is credited to the preceding year unless otherwise requested.

The schedules are arranged by conferences rather than by geographical state lines.

The tables are *not a postal guide*. For addresses of ministers and clerks refer to alphabetical lists in the back of the book. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced** type. If this postal word is an adjective it goes with the preceding name, *e.g.*, Newton, **West**, signifying West Newton.

Reference marks are used as follows:

- y* Pastor serves more than one church. (See list of yoked churches in Conference Summary.)
- [] Around a pastor's name signify he is not in full standing as a Congregational or Christian minister, nor a denominational licentiate, nor an approved lay preacher.
- i* Pastor installed by Council. § For address see alphabetical list.
- r* Pastor recognized by Council. — No answer can be given.
- m* Approximate number of men.
- c* Sunday School membership includes Cradle Roll.
- # Contribution amounts to less than 50 cents.
- z* Includes under "Other Gifts" contributions to objects similar to Nat'l. Soc. causes; under "Am. Board" gifts through Board for Armenian work, amount being included for totals of church under "Other Gifts."
- * Value of church property includes parsonage.
- ★ Per Capita paid in full by church.

|| When a church has made no report, items of membership in church, Sunday School and young peoples' organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. Cost of new buildings and improvements paid for during 1940 are not included, but churches which report this item are listed by church number at end of each conference schedule.

"Budgeted Apportionment": gifts for regular work of the denomination. "Unbudgeted Apportionment": gifts for projects *authorized* by the national boards and the states, which are *not* included in their budgets (*i.e.* Christmas Fund for Ministerial Relief). "Other Gifts": contributions made for objects *outside* the regular work and for authorized appeals (*i.e.* scholarships, mission boxes, local welfare work, Red Cross). Contributions to the Committee for War Victims and Services are listed in "Other Gifts" column up to October 1st; in "Unbudgeted Apportionment" from October 1st to end of the year, unless otherwise noted at bottom of state schedule. The totals, which are given in round numbers by the state in the schedule, may differ slightly from the totals reported by the boards which are in dollars and cents.

A Summary of the German Conference appears on page 83. The churches constituting this Conference are recorded, together with their statistical data, in the various state conferences with which they hold fellowship.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the supplemental summary. Additional totals appear in footings of conference schedules.

PASTORS OF CONGREGATIONAL AND CHRISTIAN CHURCHES

NOT MEMBERS OF ASSOCIATIONS OF CONFERENCES AND LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A new status, "approbation as lay preacher," is reported by a few states. The list also includes the names of all licentiates reported by state registrars whether or not they are serving churches. The Association to which a Congregational Christian licentiate belongs is noted as follows: "*Lic-Chi.*" (licensed by the Chicago Association of the Illinois Conference), or "*Lic-Conf.*" (licensed by state Conference). Note: The state, as well as the Association, is given when a licentiate lives outside the Conference which holds his standing. The designation "*Lic.*," without further letters in italics, is applied to those whose standing has not been verified by any Association.

CONGREGATIONAL AND CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational, Christian or Congregational-Christian ministers or of ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational-Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (—) if ordination date had not been reported) after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. If the pastor is not in the schedule of the state in which he lives, he may have made a recent change in pastorate. Page numbers are given for those whose names appear on pages 7-38, and in the Necrology, pages 39-53, and in the record of 1941 Ordinations, pages 262, 263.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.

Names of persons variously employed are indicated as follows: *A.B.C.F.M.*, see American Board of Commissioners for Foreign Missions, pages 304-307; *asso. p.*, associate pastor; *asst. p.*, assistant pastor; *bus.*, business; *Ch.*, chaplain; *coll. p.*, college pastor; *Dean*, *Dir. "Treaty of Lancaster"

In 1762 the Governor of Pennsylvania arranged a treaty with the Indians at Lancaster to effect the release of missionaries held prisoners. The Fund sent representatives "with an order for five hundred pounds" to be paid the Indians upon return of the prisoners. The Treaty of Lancaster is symbolic of the services rendered clergymen for more than two centuries by the Presbyterian Ministers' Fund

AT THE Treaty of Lancaster the Fund undoubtedly supplied goods to barter for the lives of the captives.

Today, the Fund will supply protection in cash funds.
